

Florida Aviation Network Presents Plane Time! Session C - Drones with Raul Salazar!

Event Details

The Florida Aviation Network (FAN) is broadcasting this popular multi-part aviation safety talk show that is recorded "Live". Ron Timmermans will interview our special guest for segment 3, Dr. Raul Salazar, who is an instructor at the Florida Institute of Technology, a gyroplane instructor, and a FAASTeam Lead Representative with the Orlando FSDO. Dr. Salazar will be speaking to both conventional and remote pilots on developments within the UAS (Drone) industry, operational considerations, and safety / regulatory information to be aware of. It might even save your life. Watch with a friend!

To simply watch the event, there is no registration required – Just go the Florida Aviation Network site <https://www.floridaaviationnetwork.com/> and click on the Watch Live Programs link or- "Live" logo in the upper right of the display.
