

My Engine Just Quit - OMG! Now What Do I Do?

My Engine Just Quit - OMG! Now What Do I Do?

We will benefit from an in-depth review of pilot actions when an airplane engine stops while in flight with particular emphasis on landing successfully from IMC or VFR on Top conditions. The overall review will follow the context of the mantra - “Aviate, Navigate, Communicate” with specific ideas & suggestions for each of these tasks in the critical moments between engine stoppage and the successful landing that will follow.

Come join this discussion with your fellow aviators for a review of emergency landings after an engine stoppage in flight. This seminar will offer you 1 Knowledge Credit for your WINGS phase. It will also serve as the monthly IMC Club meeting. Your knowledge & experience is valuable to your fellow pilots; please participate and share your knowledge so we all become safer aviators.

The Vigilante Room at Sanford Airport; it's in the Rental Car Building across the street from the Commercial Airline Terminal. If you fly in to KSFB for this WINGS event, you can park at Million Air FBO and get a courtesy ride over to the seminar's location in the Vigilante Room. A big shout out to Million Air FBO whose manager will waive the Ramp Fee and offer a discount on Avgas if you mention that you're attending the WINGS Event.
