

# Melbourne Orlando International Airport RSAT Operations and Safety Update 2025

## Event Details

Annual RSAT information dissemination from the ATCT manager. Public Safety Update! Operations update! Lots and lots of exciting developments in and around the airfield. Come with your questions. Leave with answers.!

The RSAT meeting is designed to bring together individuals and organizations that are actively involved in operations and movement of aircraft, vehicles, and equipment in the Airport Operations Area (AOA), both movement and non movement areas. Airport interests include tenants, flight schools, fixed base operators, airport operations, and maintenance personnel. Attendees are asked to share observations and make recommendations to enhance surface safety and security. Those recommendations serve as the foundation for site-specific Runway Safety Action Plan.
