

## KSFB FAASTeam Presents Cold Weather Flying

Cold weather operations presents unique opportunities and challenges. Even warmer weather locations can require cold weather planning when the cold rolls in. Join us and bring your perspectives on the challenges you may have faced. We will also review the IMC question of the month. We will talk about weather, icing, approaches, and pilot techniques.

**The Vigilante Room at Sanford Airport; it's in the Rental Car Building near the Commercial Airline Terminal. If you fly in to KSFB for this WINGS event, you can park at Million Air FBO and get a courtesy ride over to the seminar's location in the Vigilante Room. If you drive, you can park in short term parking and parking validation is available at the conclusion of the meeting.**

### A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
