Improving the Odds - Safety Risk Management for the General Aviation Pilot

Embry Riddle Professor Frank Ayers, a current Cessna Cardinal owner and pilot, offers practical risk management insights for the light single and multi engine pilot. This guided discussion will draw upon the experience of the attendees and will include a review of potential accident and incident scenarios, coping strategies, and the concepts of "Single Pilot Risk Management" and "Crew Resource Management" . Dr Ayers will include his unique and a bit humorous take of the subject of hazardous attitudes!"

Free two hour safety presentation. Park in short term parking lot. Parking vouchers will be provided. Parking is free. Enter the main terminal building, up the escalator and follow the signs to the safety seminar. Fly-In aircraft, Sheltair is the closest FBO, about a 5 minute walk to main terminal. Sheltair will not charge a ramp fee to seminar attendees on the seminar day. Sheltair phone 386-255-0471.
