

## The Civil Air Patrol - Your Partners in Safe Aviation

The event presented by senior members of the Civil Air Patrol (CAP) staff, will review the organization's mission and focus on the emergency services provided within the Florida Wing. The seminar will touch on what actually happens when an electronic locator starts transmitting or they are notified of a downed aircraft or pilot. This seminar will focus on what CAP capabilities exist and where they fit into a future emergency a seminar attendee might have.

The seminar will be held in Classroom M of Skybornes Maintenance Hanger which is West of the Airport Terminal. There is parking available in the lot outside the building.
