

Flightseeing Across the 48 States - Safe Operations

The speaker will discuss the planning and challenges inherent with visiting all lower 48 states in his airplane. This presentation will highlight the many spectacular sights available to pilots traveling our great nation. Topics will include highlights from his trips, flight planning, the practical aspects of going on vacation with your plane, flying with a non-pilot companion, how to do this safely and much much more. If you have ever dreamed of stretching your wings, flying farther and expanding your horizon, this discussion is for you.

JAA - Craig Airport conference room located across from the base of the Control Tower.
