

The Civil Air Patrol--Your Partners in Aviation Safety

The seminar will review the CAP mission and outline emergency services provided by the Florida Wing. The seminar will outline what happens when an emergency locator beacon starts transmitting or CAP is notified of a downed aircraft. Also, covered are what a pilot could do to make themselves more visible for rescue.

The EAA Meeting Room is within the AOA of the Vero Beach Regional Airport. Escorted access is required if not badged for this airport. The access gate will be manned to allow escorted access. A backup phone number is 952.826.9707 to obtain escorted access. The gate is located off of Flight Safety Drive behind Rosner Motorsports.
