General Aviation Safety Fly-In

Saturday, March 8, 2008 at 9:00 am

**Rafael Hernandez Airport
US Coast Guard Air Station Borinquen
USCG Community center
Aguadilla, PR**

Contact: ABEL MIRABAL
(787) 764-2538 x 230
abel.mirabal@faa.gov

Learn the basics of over-water flying that include preflight preparation, aircraft documents, and equipment. Learn emergency procedures and how to use survival equipment in overwater operations.

Directions: Proceed to the Rafael Hernandez Airport at Aguadilla, PR. All aircraft that fly in are requested to park at the northeast ramp near the Ports Authority Crash-Fire Rescue facilities. It is suggested that owners of aircraft bring their own chocks. All seminars will be conducted at the US Coast Guard Community Center (Club). Transportation will be provided to the club from the airport. A reminder that you are entering **DELTA** airspace and the new tower is in operation with the frequency of 124.95.

Message from the National Safety Program Manager:

**Safety is a learned behavior...Learn to be safer at the Learning Center found on
FAASafety.gov**
