

So FL FAASTeam presents:

Night Flight in SW Florida - A Top Accident Causal Factor

The Night Flight in Southwest Florida seminar will present unique safety & operational night VFR operations techniques. Learn how to identify and appropriately respond to the hazards of night flying. Are you prepared?

Directions: Air Cargo Lane runs off Chamberlin Parkway. Take I-75 to EXIT 131. Head East on Daniels Parkway (1.2 miles). Turn right onto Chamberlin Parkway proceed 1.3 miles. Turn right on Air Cargo Lane and continue about .2 miles to the Airport Training and Conference Center.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
