

How do you plan a VFR cross country? I will show you how I do it with online resources!

How do you safely, legally and thoroughly prepare for a VFR cross country? We will discuss how to prepare for a VFR cross country with online resources. The presentation will follow our pilot gathering and free BBQ.

Directions: Driving: I-95, Exit Atlantic Blvd, head east. Take a left on Dixie Highway and head north. Take a right on NE 10th street and proceed east. Airport will be on left, take first entrance on left by control tower. Take first east/west service road right after entrance to the left. Building is at the end of the road.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
