

Flying the Bahamas and Caribbean. Everything you need to know!

Flying to the Bahamas, Caymans, Dominican Republic and Puerto Rico is safe, inexpensive, easy and completely doable in a single engine aircraft. This presentation will show you everything you need to know and do: including a review of the required documents; U.S. and foreign customs procedures, including the new eAPIS system and the 406 elt (not required). Learn about fees, flight plans, how to Fly Over Cuban; charts, fuel availability and current prices, arrival/departure procedures and see spectacular front seat approach videos.

Directions: Please consult Map Link below for specific directions. The Naples Pilot Lounge is located at 250 Aviation Drive South at the Naples Municipal Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
