

## 2014 Part 135 Safety Stand Down

A wonderful day long event designed to help us reflect on the importance of safety in our day to day operations. Various speakers covering several topics such as Deviations, Air Traffic matters from both Miami and Ft Lauderdale. Local Accident Issues, and Metal Fatigue. Event begins at 09:00 am and continues through 16:00 in the afternoon.

**Directions:** From I-75 take exit 9 to Pines Blvd and travel east until you come to SW 145th Ave. Take a right onto SW 145th Ave heading south. Stay on this road until you reach the traffic light at Hotel Rd. Turn left at the light and follow the road back to the FSDO Building. Upon entering the FSDO building follow the signs to the conference room

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
