

## The Rusty Pilot

"Rusty Pilot" - FAASafety Team seminar for all levels of pilots

Pilot Currency, knowledge vs Habits and motor skills development. Rusty pilots coming back to fly again; what to Look for and what to do in order to avoid flight incidents and airspace violations. Are we different than birds when it comes to our flying abilities, or do we possess equal natural ability to fly? Engines failures in carbureted engines and icing.

**Directions:** follow attached map to Broward College Campus the proceed to the Summer Breeze Auditorium

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
