

EXTRA EXTRA: US General Aviation Aircraft Are Flying to Cuba.

7:00 pm Naples Pilot Association, Social and regular meeting (open to the public)
7:30pm Jim Parker of CaribbeanFlyingAdventures.com will make a presentation of how you can legally fly your own plane to Cuba. The White House is now officially encouraging U.S. citizens to travel to Cuba. He is a pioneer in leading the way for U.S. registered general aviation aircraft to fly to Cuba.

Directions: Enter off of Airport-Pulling Road; the Radio Road entrance (light). Proceed toward the General Aviation Terminal then turn left onto Aviation Drive South (first street) then; continue about a block to the rows of T-hangars on the right. The Naples pilots lounge is adjacent to the pedestrian gate entrance at end of hangar row. Building 1100.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
