

## Fly safe to Cuba with YOUR airplane

Flying to the Bahamas, Caymans, Dominican Republic and Puerto Rico is safe, inexpensive, easy and completely doable in a Cessna 172. Hear and see everything you need to know and do: required documents; U.S. and foreign customs procedures, including the new eAPIS system and the 406 elt (not required).

Learn about fees, flight plans, how to Fly Over Cuban; charts, fuel availability and current prices, arrival/departure procedures and see spectacular front seat approach videos.

**Directions:** Follow the attached map to the Broward College Campuse, then proceed to the Southern Breeze Room, behind the cafe.
