

Mastering the Art of Instrument Navigation

We will be having a network discussion of instrument flying techniques in which we will share our tips with the other members of our group. Along with this we will be enjoying a tour of the SUA Tower.

Directions: Take Monterey Rd to 1895 SE Flying Fortress Lane. It is on the east side of Monterey and it is between East Ocean Blvd and Dixie Hwy. The airport control tower will guide you to the location.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
