

Pilot vs Maintenance

This seminar will discuss about Preventative Maintenance.

The code of Federal Regulations identifies who may perform Preventative Maintenance. But, are you familiar with maintenance record entries that are required?

Come join us for an interesting conversation about the subject: What is legal and what is safe?

Directions: From I-95 turn WEST, on Pine Blvd. Broward college would be on your left. With arrival, make left to direction of parking lots, and park in area "C", for building 66.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
