

EXTRA EXTRA US General Aviation Aircraft Are Flying to Cuba

Free Pancake Breakfast 10 am to Noon. At Noon Jim Parker with Caribbean Flying Adventures will provide the latest procedures and information regarding the proper method to fly your aircraft to Cuba. Mr. Parker is a pioneer in leading the way for U.S. registered general aviation aircraft to legally fly to Cuba and all parts of the Caribbean and Central America.

Directions: Fly into Everglades City Airport or by car follow the signs South from US 41 on County Road 29 (3.2 miles) then turn right on Begonia Street (.2 miles) Continue onto Copeland Avenue (.6 mi). Cross through the round about then continue on Copeland Avenue (.5 miles) Turn right onto Airpark Road (.2 mi).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
