

SAFE Flight South Florida Air Expo

The purpose of this presentation is to provide a clear understanding of the FAA Compliance Philosophy and related guidance. We will cover what the Compliance Philosophy is, why it was adopted and how the program is administered. We will also cover the Remedial Training Program and how the FAASTeam interacts with airmen or organizations who have accepted Remedial Training as a mitigating 'fix' to a regulatory deviation.

Directions: Enter airport from 42nd Ave and proceed to Signature Flight Support

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
