

**Boca Raton Pilots Association, FAASTeam & FSDO 19 presents:**

# **Wind Shear - What You Need to Know!**

Join us at the May Boca Raton Pilots Association Meeting. Our special presenter will be Joe Orzeck. He will discuss wind shear and summer flying and the go/no-go decision factors that affect your aeronautical decision making.

Joe Orzeck, was involved in investigation of Pan Am 759, the very first microburst wind shear accident investigation. Joe is currently a Designated Pilot Examiner (DPE), a former Air Force/United Airlines Pilot and the President of Boca National Aircraft.

This is the monthly meeting of the Boca Raton Pilots Association. Everyone is welcome!!!
