

Changes in our airspace

In this 2 hours seminar, we will discuss in depth all of the airspace changes that are expected to be published in September for the Miami Class Bravo and Fort Lauderdale Class Charlie. Discussions will be led by Nicholas Candelier who was one of the members on the design team.

Directions: If you are on I-95, exit Pembroke Pines Blvd. WEST, then left into Broward College, left in the college, around all the parking lots, till the LAST building, that, would be Number 66. Come in.
Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
