

Aging aircraft

Do you think the original inspection form guide lines still apply?

The factory never expected the aircraft to last this long.

We as aircraft owners, have maintained this aging aircraft superbly, but

What should we be looking for ,above and beyond the inspection guidelines?

Lets talk about it.

Directions: If you are on I-95, exit Pembroke Pines Blvd. WEST, then left into Broward College, left in the college, around all the parking lots, till the LAST building, that, would be Number 66. Come in.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.

A message from the National FAASTeam Manager
