

Meet the TopGuns Flying Around Us

In this FAASTeam seminar, we are going to speak about Aviation Safety, as it relates to the airspace around Homestead ARB. The types of aircraft and what to expect when flying southbound to the Florida Keys, Mid-Air Collision Avoidance for fighter aircraft, and the operations that the military performs in South Florida. Everything you should know to operate safely around Homestead ARB delegated airspace.

Enter the airport from Main gate and drive west till you see "HEJC" Hangar with Blue door. Road will turn around the lake and end in to the "HEJC" parking lot. You will see the Tiki hut. Someone will be there to guide you to Main Hangar.

By Air: - X51 Junction of Runway 10 and 18 - Come park in front of Tiki hut.

A message from the National FAASTeam Manager
