

All About Drones

A growing number of people are buying Small Unmanned Aircraft Systems (sUAS) as toys. eUAS is also referred to as "Drones". Professional companies like Amazon, Uber and others are exploring using drones for deliveries. There are many aspects to operating drones and we are going to cover them.

At this seminar, we will discuss all the aspects of drone operations from FAA Regulations to legal operations used by companies like electrical, real estate and more.

A Team of Drone specialists will speak, and answer all questions.

If you are on I-95, exit Pembroke Pines Blvd. WEST, then left into Broward College, left in the college, around all the parking lots, till the LAST building, that, would be Number 66. Come in.
