

Safe Your Life

Topics include emergency landings over open water and jungle terrain soft field environments. The use of survival kits and Emergency Locator Transmitter (ELT) requirements and inspection. We will also discuss the reporting requirements to the FAA after an aircraft accident or incident.

Take Florida turnpike south to exit number 5. Turn right and head West until you reach Highway US1. Turn left heading south to 298 street. Turn right cross over US1 and head west to 217 ave. Then Turn right heading north. The airport is off to your left. Turn left into the main entrance and follow the road around the lake to the end. Parking lot is located next to the Tiki hut.
