

Temporary Flight Restrictions (TFRs)

In this seminar, we will discuss and review about the differences between a normal stadium TFR, VIP MIA TFR and the West Palm Beach VIP TFR.

We will discuss what Air Traffic Control (ATC) is doing in their operations, and what pilots need to do to fly through these TFR's.

We will meet three very experienced ATC Managers from the areas of South Florida.

If you are on I-95, exit Pembroke Pines Blvd. WEST, then left into Broward College, left in the college, around all the parking lots, till the LAST building, that, would be Number 66. Come in.

A message from the National FAASTeam Manager
