

Palm Beach Runway Safety Action Team Meeting

The Runway Safety Action Team (RSAT) meeting brings together key stakeholders actively involved in air traffic operations and movement within the Airport Operations Area (AOA). This includes tenants, pilots, fixed-base operators (FBOs), airport operations and maintenance personnel, and other key partners. Together, we will identify challenges, discuss best practices and develop actionable recommendations to enhance surface safety at PBI. Your insights will contribute to a RSAT Plan tailored to our airport.

From I95 take Exit 69 to Belvedere Rd and turn left. Pass the Palm Beach International Airport (PBI) entrance at Congress Avenue. Turn left onto 8th Street. Continue straight on 8th street and turn left into the parking lot for DOA Headquarters. Administration HQ BLDG 846,
