

EAA Chapter 203 Monthly VMC Club Meeting

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

The scenario(s) we will discuss at this meeting is/are: "Unfamiliar airplane. Private Pilot (~400 hours TT, current flight review) solo 370NM XC flight to deliver unfamiliar plane to new owner. Fuel management and control issues while flying an unfamiliar airplane."

Bring your EFB, your experience, and your questions, and be ready to participate.
