

Certified Flight Instructor/DPE Forum

This forum will emphasize the broad range of professional responsibilities of flight instructors. The focus is on supervision and oversight of student training, authorization of student operations, and preparation for the practical test. The agenda also includes a review of Loss of Control-Inflight accidents. Join us for an interesting, interactive workshop.

Directions: Proceed to Plaza Las Americas Shopping Center in San Juan, PR. Locate "La Torre de Plaza" building entrance next to the US Postal Service. Proceed by elevator to the ninth floor, Suite 901.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
