

Annual Safety Stand-Down

Learn the basics of over-water flying that include preflight preparation, aircraft documents, and equipment. Learn emergency procedures and how to use survival equipment in overwater operations. The US Coast Guard, Liferrafts, Inc., Civil Air Patrol, and US Customs will participate in this program. This program is from 10AM-1PM.

Directions: Proceed to the Fernando Luis Ribas Dominicci Airport at Isla Grande, PR. Take the main road toward the PR Ports Authority passenger terminal. Continue past the terminal and the ATC control tower to the Interamerican University Aeronautical Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
