

## CFI/DPE Open Forum

It is imperative that the CFI emphasize the importance of Pre-Flight Preparation and Planning. A student taught to obtain a complete weather briefing as part of his pre-flight planning and preparation will most likely avoid encounters with inclement weather and to "always have an out". Join us for an interesting interactive forum.

**Directions:** Proceed to Plaza Las Americas Shopping Center in San Juan, PR. Locate "La Torre de Plaza" building entrance next to the US Postal Service. Proceed by elevator to the ninth floor, Suite 901.
