

Virtual National Aviation Safety Stand Down - 2015

A safety stand down is an event at which pilots gather to learn new information, refresh already learned information, and to engage in discussion with safety experts and fellow pilots. This live webinar format event is presented by the Advocates for Aviation Safety Foundation, Inc. and features three main live presentations from experts in their fields. A live discussion will take place following each presentation and attendees will be able to ask questions and make comments.

Directions: Proceed to the Fernando Luis Ribas Dominicci Airport at Isla Grande, PR. Take the main road toward the PR Ports Authority passenger terminal. Continue past the terminal and the ATC control tower to the Interamerican University Aeronautical Building.
