

2012 National Safety Stand Down- Tampa Bay

This year's FAASafety Team Safety Stand Down focuses on Loss of Control. Loss of Control In-Flight was the dominant cause of fatal general aviation accidents over the last decade. Loss of Control refers to accidents resulting from situations in which the pilot should have either maintained or regained control of the aircraft, but did not. Join the thousands of other pilots across the country in attending this exciting briefing!

Directions: From Tampa take the Veterans Expressway (589) North to Exit 3, Memorial Highway. Go westbound 4 lights to Dana Shores Drive, make left turn to A La Carte Pavilion 1/4 mile on the right.
