

Tallahassee Air Traffic Control Tower 'Operation Raincheck'

The seminar will feature FAA air traffic control staff who will discuss local ATC procedures and aviation safety issues. The ATC staff will also answer questions from the group and make suggestions about how best to communicate with air traffic controllers. There will be a discussion on MOA operations and how to avoid a mid-air collision by USAF pilots & staff.

Directions: Please use "preview map" link above. The Compass Point Conference Room is located just north of the Main Terminal. Parking is free.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants.
