

## 'Paths to Safety' - Cliff Roberson's FAA Video

It's the Aviation Safety Program's pleasure to present the basics of the accidents pilots should not be having. This video discusses accidents and incidents that have happened to a flight instructor and his class.

**Directions:** Please consult Map Link below. 3rd Floor - Science Works Room

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
