

FAASTeam presents:

## Loss of Control

We'll examine four accidents with varying outcomes. How to take a deep breath, keep the aircraft flying and manage corrective action.

**Directions:** Driving North or South on US 1/Tamiami Trail, look for aircraft hangars on the east side of the road. Also look for entrance sign with the playful dolphins.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
