

Summer Weather - Weather Tips for Navigating Thunderstorm Season

Soon it will be thunderstorm season in Florida and all pilots should be knowledgeable of the hazards thunderstorms present to pilots navigating the state. The program will review the weather associated with thunderstorm activity, how to avoid thunderstorms & how ATC can assist in avoiding severe weather.

Directions: Florida Aviation Center is located across from the Flightline Maintenance facility. Parking is available in front of the classroom, look for the Florida Aviation Center sign on Hanger A.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
