

## Air Space Review

A study of all the elements needed for a successive cross country flight. A must seminar for students, new pilots and pilots getting back into aviation after a long absence.

**Directions:** Go West on Gen. Spaatz Blvd. (first light north of University and US 41. Make first left, cross Bradenton Bypass. Auditorium is the one story metal building on the right.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
