

Practical Guide To Winter Flying

You don't have to leave Florida to experience Winter weather. This practical guide will help you navigate through the winter season safely. Practical Guide To Winter Flying covers strategies for pilots flying aircraft not approved for known icing to those flying larger turbine aircraft.

Directions: From I-275 N or S take exit 31 to merge onto FL-688, W Ulmerton Rd. Continue on Ulmerton, past Roosevelt Blvd. to Hwy 19. School is on the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
