

Tallahassee Air Traffic Control Tower/ Pilot Forum 'Operation Raincheck'

The seminar will feature FAA air traffic control staff who will discuss local ATC procedures, operations & aviation safety topics. The ATC staff will also answer questions from the group & make suggestions on how to best communicate with air traffic controllers. There will also be discussions concerning MOA & SUA airspace operations & how best to obtain flight following.

Directions: Florida Aviation Center is located across from the Flightline Maintenance facility. Parking is available in front of the classroom, look for the Florida Aviation Center's sign on Hanger A.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
