

Tampa FAASTeam - CFI Special Emphasis Program

This seminar is designed specifically for Flight Instructors and Students, and focuses on teaching proper techniques for operating in Controlled Airspace and Towered Airports. We will also address the specifics of Airspace Incursions, and Airport / Runway Incursions. Poor planning, unfamiliarity, high workloads, complexity, student activity, and technology are some of the main reasons for pilot deviations. Special Emphasis will be placed on Situational Awareness and Single Pilot Resource Management.

Directions: From Interstate 275 East or West.
Exit 42 - North Howard Avenue
Drive South to W. Kennedy Blvd.
Turn left onto W Kennedy Blvd., Drive East to South Hyde Park Ave.
Take Right on S Hyde,
Follow signs to Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
