

Annual Aircraft Icing Seminar: Icing for General Aviation Pilots.

We will cover all aspects of airframe Icing. How to plan to avoid icing conditions. What to do if icing is encountered, and how to prepare a safety plan to exit dangerous conditions.

Directions: North on US 41 past University Parkway. Look for spinning dolphins on the right side of the road.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
