

Better Landings, Better Flights

Your landing is what your passengers are likely to remember most about your flight. Come learn how to make consistently stable and accurate landings on all types of surfaces.

Directions: Fly into Everglades City Airport or by car follow the signs South from US 41 to E.C. Airpark.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
