

SRQ Flight Operations and Class B and C Airspace

Lively discussion of flight operations and the airspace around SRQ and TPA. Two controllers from the control tower will be on hand for a presentation and to answer questions. This presentation is the program part of EAA 180's General Meeting. Come 30 minutes later if you are just interested in the program. We will also discuss the progress of our Teen Build Van's RV-12.

Directions: One traffic light north of University Parkway and US 41, go East on Gen Spaatz Blvd. (Shell station). Make first left, cross Bradenton Bypass (no sign). Auditorium is in one story steel building on right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
