

## Study of Aircraft Accident

An in depth study of the July 1999 accident which resulted in the death of JFK Jr. and two passengers. What we learned and how can we apply this to our own attitudes of flying.  
Note: This presentation is the program part of EAA Chapter 180 monthly meeting which starts on 7:00 PM.

**Directions:** First traffic light north of University and US 41. Go east on Gen Spaatz Blvd. Make first left, cross Bradon Bypass. Auditorium is in one story steel building down and to the right.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
