

FAASTeam presents:

# **ADS B and How to Meet the Mandate!**

With the FAA's ADS-B Out Mandate on January 1, 2020 quickly approaching, owners need to know which solution is best for their aircraft and the airspace it's flown.

Jason Francis - Speaker, Avionics Manager at American Aviation

Mr. Francis has 10 years experience in the United States Air Force (USAF), 6 years as an Avionics Technician and 4 years as a USAF Field Instructor teaching Interl Navigation, Doppler Radar and Fuel Management Systems, he has 8 years as an Avionics Technician working in the Aviation Industry and for the last 18 years has been employed at American Aviation.
