

Tampa FSDO FAASTeam presents:

# **CFIT - Controlled Flight Into Terrain**

CFIT, Controlled Flight into Terrain, is one of the deadliest and most frequent General Aviation accident causes. According to the FAA, during a typical year there are around 40 CFIT accidents, about half of which are fatal.

Pilots of all experience levels are welcome including; Student pilots, Newly Rated pilots, Experienced pilots, Rusty pilots and CFI's. Non-pilots that are interested in aviation and aviation safety are also welcome to attend. The FAASafety Team Seminars at KPCM are held as organized "Hangar Flying with the focus on building a safety consciousness among pilots. Since these seminars are part of the FAA Safety Program, they provide informative presentations along with WINGS credit. All that is required to attend is a desire to be a safe pilot.

For more information and to be part of the event, visit [FAASAFETY.GOV](http://FAASAFETY.GOV) and register online. WINGS credit is available for this seminar. In order to receive WINGS credit, please pre-register at [www.faasafety.gov](http://www.faasafety.gov). By pre-registering for these seminars, you insure that credit is correctly applied to you. When you attend the program, a WINGS sign-in sheet will be available at the registration desk. The Wings sign-in sheet is what is used to award you WINGS credit for attending the event. Make sure you initial the

## Event Details
