

**TAMPA FSDO FAA Safety Team presents:**

# **PGD Construction Impacts and Runway Safety Program**

We will be reviewing the upcoming construction phasing plan and laying out the impacts that it will have on the airport users.

This will then lead into a discussion on how everyone will be notified and how to check for updated changes at PGD. Which will also apply to any other airport with construction.

Finally we will be reviewing FAA Runways safety program for best practices to avoid having delays, or incursions. Wrong surface operations have led to runway incursions, near misses, surface collisions, and fatal accidents.

This is a live presentation only. Free seminar! WINGS credit available!

**Directions:** The Airport Board Room is located off the intersection of STAR and Utilities roads behind the Charlotte County Sheriffs Headquarters.

From the North take US 17 to Piper road, turn south on to PIPER ROAD, then continue past intersection at Henry Street. Turn left on to STAR at the stop sign turn left on to utilities and it is the first left.

From the South take Jones Loop to Piper Road and turn north on to Piper Road. Continue past the main entrance to the airport and Airport Road intersection. Take a right onto Star. At the stop sign turn left and it is the first left on Utilities behind the Charlotte County Sheriffs Headquarters.
