

Tampa FSDO FAASTeam presents:

What Are Aircraft Service Letters and Service Bulletins and Why Should I be Interested

In this presentation, we will discuss Aircraft Service Letters and Service Bulletins.

How and where do we find a list of Service Letters or Service Bulletins for the aircraft that I own or fly?

Why they are important and when must we must comply with one.

We will review several examples of how Service Bulletins are developed in response to identified maintenance and manufacturing defect issues.

We will also talk about what is involved in complying with a Service Bulletin.

Pilots of all experience levels are welcome including; Student pilots, Newly Rated pilots, Experienced pilots, Rusty pilots and CFI's.

Non-pilots that are interested in aviation and aviation safety are also welcome to attend. The FAASTeam Seminars at KPCM are held as organized "Hangar Flying with the focus on building a safety consciousness among pilots.
